

**Support children with symptoms to go for testing**

**Give age appropriate information and reinforce positive behavior like washing hands and covering mouth and nose when coughing or sneezing**

“  
**Support children during the Coronavirus outbreak**  
”

**Provide love, care and protection**

**Listen to what a child might want to tell you, e.g. that they are not feeling well, or that they are scared**

**If activities or school are cancelled, find alternative home based outdoor activities so they do not become bored**

**Explain what is happening and reassure children**

**Provide child friendly spaces in hospitals**
