THE ANGLOPHONE AFRICA REGIONAL CRG PLATFORM
FOR COMMUNICATION AND COORDINATION FOR CIVIL SOCIETY AND COMMUNITY GROUPS

Who we are
EANNASO is a regional umbrella body bringing together Civil society voices to inform policies and improve programming on HIV, TB and other health related issues. In our coordination and communication role we work closely with Multi-lateral and Bi-lateral development partners (including the Global fund) to ensure civil society and community groups voices are heard and issues included in decision making platforms and programs.

Objectives of the Anglo Africa Platform
1. Enhance knowledge of CS and CG on Global Fund and access to TA
2. Coordinate with other TA initiatives addressing the needs of CS and CG
3. Improve understanding of TA and capacity development gaps for CS and CG
4. Strategic capacity building development initiatives.

Coverage

Partners
EANNASO works with various civil society organizations, community based organizations, Key population groups and communities of people living or affected by TB, HIV and Malaria. Our partners include Technical Support Providers, Multi-lateral and Bi-lateral development partners, Governments and regional economic commissions (EAC, SADC, IGAD, COMESA) and the Africa Union. We work at various community, national, regional and global platforms. For Example: Stop TB Partnership, UNAIDS and other UN bodies, TSF ESA, WHO, GAVI Alliance, The HIV/AIDS Alliance, ICASO, RAANGO, African CSO Platform, HIVOS, OSIEA, Stop AIDS NOW!, PEPFAR among others.

Key Activities
- Identify CSO/CG through a sub-regional mapping exercise
- Develop, repackage, translate and dissemination strategic information
- Hold one annual regional CSO meeting to share experiences and key information.
- Broker or link CSOs to technical support providers
- Develop a list of TS providers focus areas and TS initiatives in the region
- Conduct an assessment of Technical Support needs and access by CSOs/CG
- Produce a calendar of strategic plans development and review and support CS/CG to engage
- Conduct a survey on community engagement in regional GF
- Establish and manage a CSO/CG/KP CCM forum to share experiences, challenges, lessons
- Work with CS and CG to compile country and regional scorecards on CCM performance.
