Greetings from the Regional Platform for Communication and Coordination for Anglophone Africa, hosted by EANNASO!

This week, we are releasing our third community guide on the Global Fund. The Community Guide to the Global Fund’s Sexual Orientation and Gender Identities (SOGI) Strategy has important human rights components that are essential for an effective response to HIV/AIDS, TB and malaria, at all levels.

This community guide is a basic overview of the Global Fund’s SOGI Strategy.

In this guide you will find:

- What is sexual orientation and gender identity?
- Some fast facts on how HIV/AIDS disproportionately impacts sexual minorities
- Four strategic actions that the Global Fund takes to ensure grants meet the needs of SOGI communities (and what this means for
This community guide is available in two languages:
