Greetings from the Regional Platform for Communication and Coordination for Anglophone Africa, hosted by EANNASO!

As your Regional Platform, we aim to enhance knowledge of civil society and community groups on the Global Fund and access to technical assistance.

In the coming weeks, we will be releasing a series of community guides which summarize and simplify some of the human rights and gender policies of the Global Fund. The guides will unpack complex information and help you identify areas where you can ask for support.

A Community Guide to the Global Fund: An Introduction

The first community guide is a basic introduction to the Global Fund.

In this guide you will find:

- The “what”, “where” and “how” of the Global Fund
- Core principals of the Global Fund
- What kinds of activities the Global Fund supports

- How the New Funding Model works

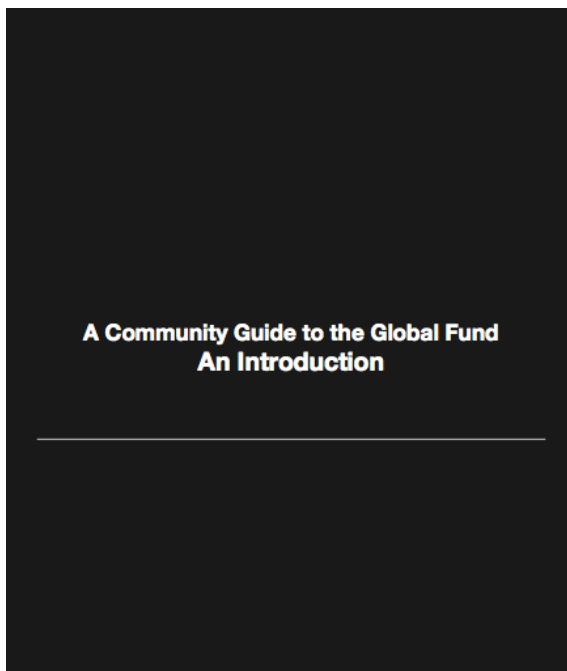

This community guide is available in two languages:

English:

[A Community Guide to the Global Fund: An Introduction](#)

Portugues:

[Guia Comunitario para o Fundo Mundial: Introducao](#)
