## UNAIDS to host informational conference call for PEPFAR's Key Populations Investment Fund Notice of Funding Opportunity

Prospective applicants are invited to two informational conference calls related to PEPFAR's new initiative: *Key Populations Investment Fund hosted by UNAIDS*.

The Office of the U.S. Global AIDS Coordinator and Health Diplomacy (S/GAC) has announced a \$100 million Key Populations Investment Fund (KPIF). The KPIF requests applications from 'Prime Recipient' organizations to scale up quality, key population (KP)-led community approaches to HIV/AIDS prevention, care, and treatment programs. Additionally, applications are requested to address social and structural factors (such as stigma, discrimination, violence, and human rights violations) that negatively impact KP's access to and retention in these programs.

PEPFAR staff will participate in the call to provide information and help answer questions related to the Notice of Funding Opportunity (NOFO). The NOFO is available at <http://www.grants.gov/web/grants/search-grants.html?keywords=SBUR-SOGAC-17-001>
