JOB DESCRIPTION

Job Title: Programmes Intern
Reports to: Preparedness, Response & Resilience Programme (PRR) Coordinator
Supervision of: Self
Interacts with: Entire Staff
Location: Arusha, Tanzania

Job Purpose
Under the supervision of the PRR Coordinator or Designated Technical Staff, the Programmes Intern shall work with technical guidance from the Strategic Programme & Performance Management Specialist (Programme Manager). The Intern shall work across the existing and subsequent projects, and primarily be responsible for supporting the implementation of the planned activities aimed at ensuring the achievement of the projects’ set targets and outputs per corresponding indicators. The role also includes day-to-day quality and timely implementation, monitoring, and reporting of planned activities. The intern will support in mobilization of PRRP initiatives to ensure that appropriate and timely linkage and referrals are done between the target population, service providers and stakeholders. The Project Management Intern will gain work experience that gives her/him a distinctive edge that is required to gain success in her/his career path.

Duties and Responsibilities:
1) Helps in the consolidation and implementation of Projects’ workplans focused on HIV&AIDS, TB, Malaria, SRH, etc.
2) Assists in mobilizing intended/targeted activities’ participants, service providers and stakeholders to facilitate respective project implementation in the targeted areas.
3) Support the Project Officers in delivering training and onsite counselling to the targeted beneficiaries.
4) Support in the organization, and planning of review meetings with community-level workforce, stakeholders, and project teams to ensure timely and appropriate feedbacks are collected and documented.
5) Support the coordination of project activities, including scheduling meetings, preparing agendas, and taking minutes.
6) Support enrolment of project participants into the project database and mailing list.
7) Contribute to the preparation of project reports, presentations, and other communication materials.
8) Collaborate with organization team members to ensure the smooth implementation of projects.
9) Maintain accurate records and documentation of project activities and results.
10) Support in the documentation of the project’s best practices, policies, and interventions to enhance project outcomes.
11) Build and maintain good relationships with government officials, stakeholders, and community members through attending key meetings to strengthen good work relationships.

**Qualifications, Skills and Experience:**

- Bachelor’s degree in Project Planning & Management, Public Health, Sociology/Social Work, Community Development, Development Studies, or related Social Sciences field.
- Possess excellent communication skills with good English and Swahili speaking and writing proficiency.
- Substantial knowledge of programme concepts and patterns (e.g., principles of community-centred approach) related to HIV/AIDS, TB, Malaria, SRH, etc.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint) and data analysis.
- Knowledge of NGOs and ability to work independently & within teams.
- Good stakeholder engagement and coordination skills.
- Sound typing skills and a demonstrated ability to multi-task.
- Demonstrates diplomacy, flexibility, and resourcefulness.
- Strong critical thinking and creative problem-solving skills & Strong interpersonal skills.
