What does this new requirement mean?

It means that:

- **The Global Fund's Technical Review Panel (TRP) will receive the human rights and gender assessments as part of the application package.**
- **The TRP will be checking the funding request to make sure it responds to findings and recommendations from the human rights and gender assessments.**

Next Steps

- 1. Find out if your country has done human rights and/or gender assessments for HIV, TB and malaria**
 - 2. Review the findings and recommendations of the assessments**
 - 3. Advocate for programming in your country's GC7 funding request which responds to the assessments' findings and recommendations.**
 - 4. Attach the assessment(s) as a required annex to your funding request.**
