

How to Hold a Successful Consultation

[View this email in your browser](#)

When you are trying to influence a decision-making process about health, what's the first step? This new video toolkit from EANNASO, developed in partnership with AAI and ICASO, can help you get started. Step 1 should be holding a consultation with the relevant key stakeholders and communities. But this can be tricky. Check out Module #1 of the Video Toolkit for a step-by-step "How To" for holding a successful consultation.

Stay tuned for Module #2, coming next week!
