

# How to Publish an Outcome Document

[View this email in your browser](#)

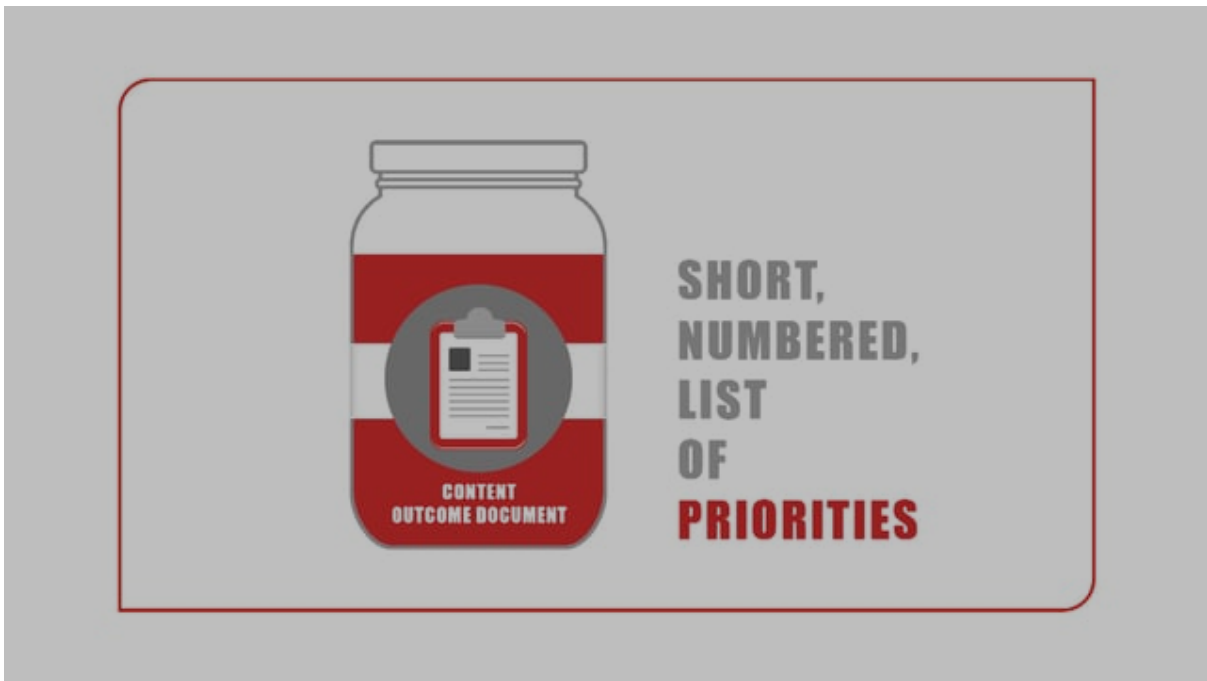

Now that you know how to hold a successful consultation (if you missed it, go back to [Module #1!](#)) what's next? Check out Module #2 of the EANNASO/AAI Video Toolkit on how to influence decision-making processes about health. In Module #2, you will learn all about how to publish an outcome document using the results of your consultation! It sounds straightforward, but we have a few tips and tricks to make sure the voices of your community will definitely be heard in all the right spaces.

Stay tuned for Module #3, coming next week!

*Warm regards from the EANNASO Secretariat and the Regional Platform Team*
