## Global Fund Community Guides Now Available in Swahili

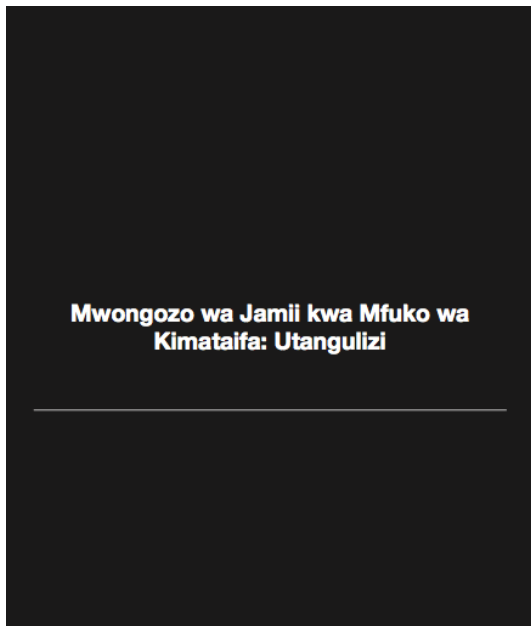

Greetings from the Regional Platform for Communication and Coordination for Anglophone Africa, hosted by EANNASO.

Translating long and complex Global Fund policies into accessible formats is important for ensuring meaningful engagement of civil society and community groups. Our Global Fund Community Guides (available in [English](#) and [Portuguese](#)) are now also available in [Swahili](#)!

As many as 15 million people speak Swahili as their first language, spanning Burundi, Comoros, Democratic Republic of Congo, Kenya, Malawi, Mozambique, Rwanda, Somalia, Tanzania, Uganda, Zambia and Zanzibar. It is important that these communities have the information they need to effectively engage in Global Fund processes.

This community guide is a basic introduction to the Global Fund.
