- 3. Successful Case studies of TA in Ghana, Malawi and Lesotho (Abigail MANASO)**
- 4. Mock CRG TA Request Taking participants through the TA request form (Olayide JAAIDS)**
- 5. Q&A (ALL)**

OVERVIEW

The successful response to AIDS, TB and Malaria rests on the meaningful engagement of all actors, including civil society and KVP. The GF is aware that communities often lack access to the knowledge and information necessary to play an active role in GF processes. The Global Fund approved a strategic initiative to provide Technical Assistance to CS and CG with the purpose of ensuring that civil society and Community groups are meaningful involved in GF processes.
